Finishes displayed in this brochure provide an overall reference to standard finish colors.  
Please reference specification guides for product/finish applications.  
Note that upcharges apply to Basics products.

Differences between the printing process and production techniques may cause slight variations between color swatches shown here and the actual finished product. Every effort has been made to create an exact match of colors and finishes. Bretford highly recommends requesting a sample of the finish for a more exact representation of the color. Actual samples of laminates, veneers, paints, trims, and fabrics are available upon request. All are subject to availability at time of ordering.

For screen fabric, seating fabric, panel fabric, paint, laminate, veneer and trim samples, contact Bretford Customer Service at 800.521.9614 or log on to [www.bretford.com](http://www.bretford.com) and click on "Request Materials."

## FABRIC GRADE-IN PROGRAM

### fabric, vinyl and leather

**Bretford's Grade-in Program** has been designed to offer a host of benefits to customers for all Bretford Plus™ and Ithaca™ Series soft seating and HERE™, and Liquid™ Series mobile boards and panels. Bretford has partnered with Momentum and Herman Miller (HMI) fabrics and Wollsdorf leather to offer hundreds of options that are now graded into Bretford's price list. Customers simply pick a graded fabric, vinyl or leather pattern, grade and color, place an order with Bretford and Bretford will take care of everything else. Material testing is no longer required.

Upholstery pricing for the Grade-in Program is available on [bretford.com](http://bretford.com). Color options as well as samples can be viewed and ordered through the Momentum Group's website at [themomgroup.com](http://themomgroup.com) for fabric and vinyl samples, through [bretford.com](http://bretford.com) for HMI fabric samples and Wollsdorf leather samples.

Customer Owned Material (COM) and Customer Owned Leather (COL) orders are still welcome. COM nor COL materials are required to be tested, however customers will need to purchase their own

material and send it directly to Bretford for the manufacturing process.

\*Bretford offers all Momentum Textiles as a standard. Loomsource nor Textus are offered as a Bretford standard.
