A FLAT OUT GOOD IDEA. RETRO-FIT KIT

REDUCE. REUSE. RECYCLE.

Repurpose with the Retro-Fit Kit for the Bretford BB Wide Body Cart.

Cut costs. No need to replace your existing cart. The Retro-Fit Kit offers simple solutions to changing technology so you don't have to purchase a new cart.

Reduce waste. Less material is used because you're only replacing the top shelf.

And it fits. Seamlessly. Because it's made to integrate with the existing structure of your Bretford BB Wide Body Cart, it connects flat panel monitors safely and securely.

Simple, effective solutions. From BRETTFORD.
