

MULTIMEDIA CARTS AND STANDS ACCESSORIES

Ideal for  Learning,  Meeting, and  Working Solutions.

Increase the mobility of your Media Carts with some of our accessories. Accessories are not for use with Printer Stands.

ETHKIT Handle Accessory

Handle mounts to top shelf using existing bolts for easier transport of equipment. For use on series models TC12, TC35, TC15, TC15SA, ECILS1, ECILS15, ECILS3, and EC4000.

CRDMR Cord Minder

Cord management tool clips to any 1" square, tubular cart leg without tools. Easily adjusts and can be reused multiple times. Comes in a set of three clips. For use on MP series carts, TC12, ECILS1, ECILS2, ECILS15, EC4000, EC4, and EC4X.

RM1820-2428 Rubber Mats

Ribbed black rubber mats lay flat on the top shelf of AV carts. Rubber mat is 1/16" thick.

| | Fits Shelf Size |
|---------------|-----------------|
| RM1820 | 20"W x 18"D |
| RM1824 | 24"W x 18"D |
| RM1836 | 36"W x 18"D |
| RM2024 | 24"W x 20"D |
| RM2030 | 30"W x 20"D |
| RM2036 | 36"W x 20"D |
| RM2232 | 32"W x 22"D |
| RM2428 | 28"W x 24"D |

O44-0404 2" Ball Caster Pack

Found on office machine stands and smaller AV/TV carts. Ideal for low-pile carpet. Each caster is load rated up to 80 lbs. Includes four casters.

O44-0024 4" Caster Pack

Includes four casters (two locking). Each caster is load rated to accept up to 115 lbs. Standard on many Bretford AV and computer carts.

O44-0025 5" Caster Pack

May be ordered in place of the 4" casters for any Bretford AV or computer cart. Useful for deep carpet or rough surfaces. Includes four stem casters (two locking). Each caster is load rated to accept up to 125 lbs.

PC4 4" Twin Plastic Stem Caster Pack

Includes four casters (two with locking brakes). Can be used in place of a 4" caster for any Bretford AV or computer cart. Each caster is load rated to accept up to 125 lbs.

E-Unit 2-Outlet Power Strip

Two-outlet electrical unit attaches to any steel Bretford mobile equipment cart, TV/AV cabinet or cart, or TV/VCR security center using pre-drilled holes. Features a 20', 3-wire grounded power cord with built-in cord winder.

ES-Unit 3-Outlet Power Strip

Three-outlet electrical unit. Attaches to any steel Bretford mobile equipment cart, TV/AV cabinet or cart, or any TV/VCR security center using pre-drilled holes. Features 20', 3-wire grounded power cord with a built-in cord winder.

EPS 4-Outlet Power Strip

Features black metal plate with four outlets, a 20' cord with grounded plug, 10 amps with surge-protection, and an on/off switch. Plate acts as cord winder and attaches to cart with two wing nuts.

CBG Caster Bumper Guard

Includes four rubber bumpers, which attach to stem casters. Protects walls and carts from wear and tear.
