	26	SC1038	#8 x 1 1/4" Phillips Bugle Screws for IHD4896RD

**STEP 1**

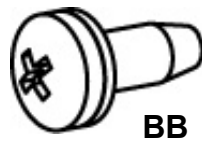

Install each floor glide into the bottom of both side frames as shown.

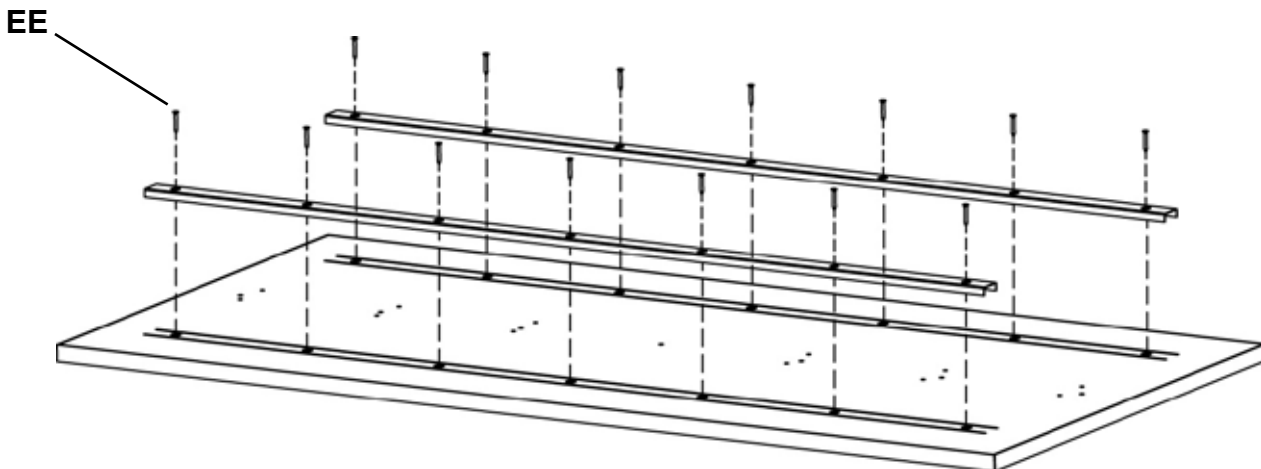

### STEP 2

Stand the side frames up as shown. Slide the middle support over the frame brackets and secure together using screws (BB).

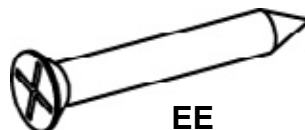

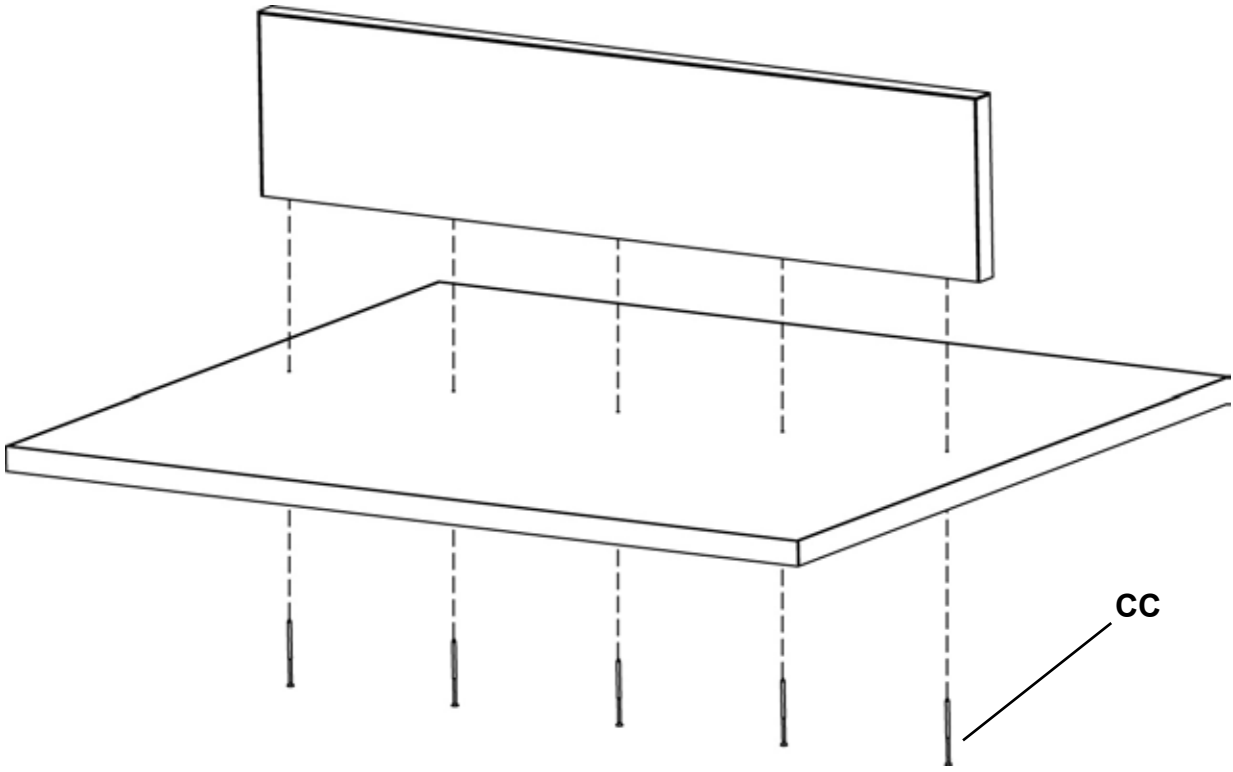

### THIS STEP FOR IHD4896RD ONLY

### STEP 3

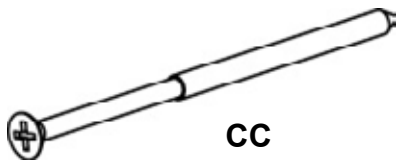

Attach the table stiffeners to the underside of the wood top using screws (EE) as shown. **NOTE:** Stiffeners only come with 96" tables.

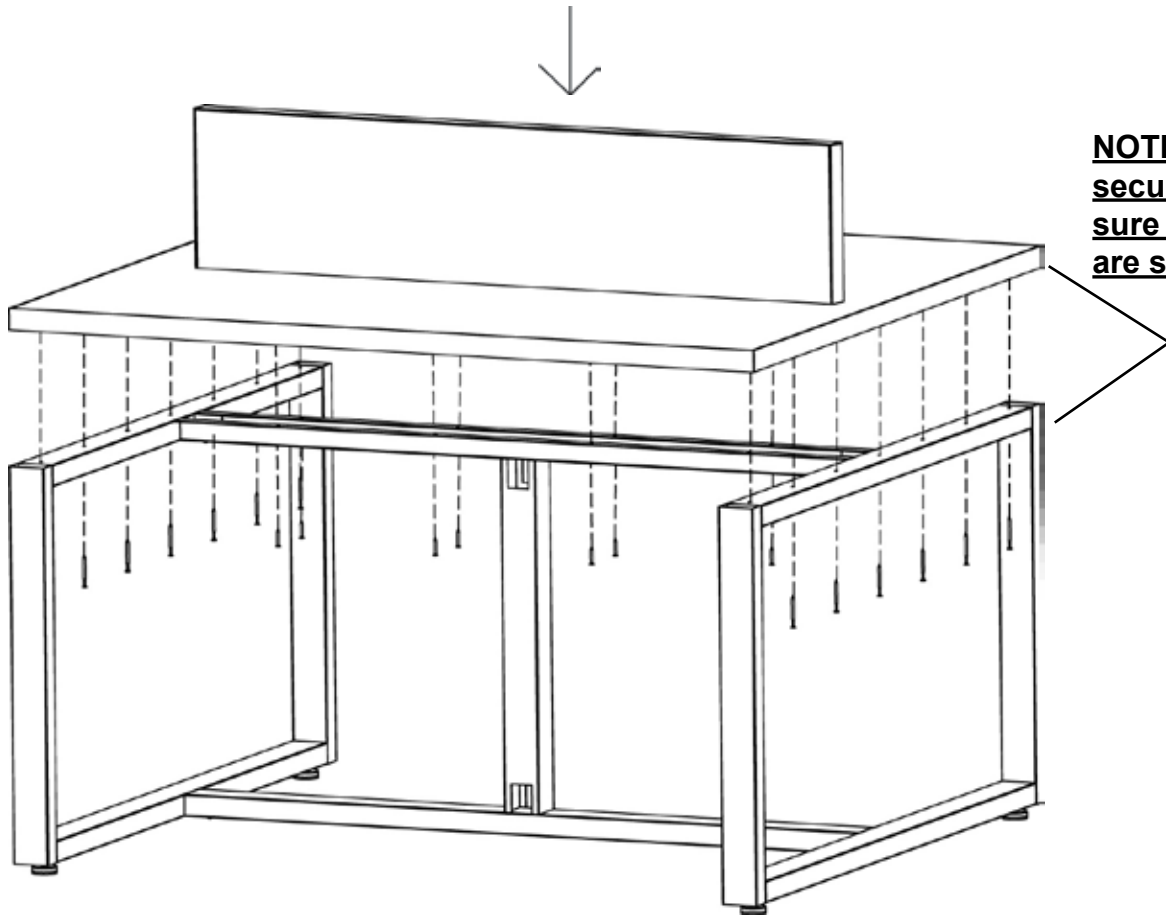

**STEP 4**

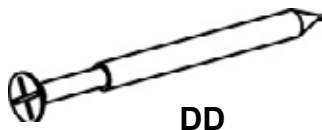

Attach the divider panel to the top using screws (CC) as shown.

### STEP 5

Stand frame assembly upright and level. Then place wood top on the frame assembly and secure from underneath using screws (DD) on the frames and screws (EE) on the support rail as shown.
