KR SERIES FOLDING TRAINING TABLES

KR SERIES TABLES

Ideal for meeting or conference rooms. The tables can be grouped to design the ideal setting for training and conferencing.

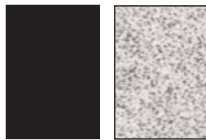

PAINT/LAMINATE COLOR OPTIONS

Raven/Mahogany (-RNRM)

Raven/Maple (-RNMP)

Raven/Grey Nebula (-RNNB)

FEATURES

- Modular tables are available in Rectangle, Trapezoid and Half Round work surfaces to create the ideal training or conference room and are easily reconfigured for other configurations.
- Table folds 4-1/2" flat for easy portability and storage and include latches to lock them in the folded position.
- Durable high pressure laminate work surfaces stand up to years of heavy use.
- Work surface grommet holes and a modesty panel with integrated cord management channel allow easy use with laptop computers. The cord management channel runs the width of the legs and is 2-1/2" deep, front to back.
- Optional power options include a 6-outlet electrical unit (*model ECF6*) or the Juice Power System that can daisy chain up to four tables off a single 15 amp outlet. Both mount to the inside of the modesty panel/cord management bin for easy access to power.
- Features ganging clips at both ends of the work surface to connect two or more tables together in rows or connect with trapezoid or half round tables for additional training configurations and adjustable, floor-saving glides keep tables steady and level on uneven floors.
- Rear modesty panel provides plenty of leg room and tables seat two to three comfortably on one side.
- Rectangle tables available in 48", 60" and 72" widths and 18", 24" and 30" depths to meet all your training and conference needs. Trapezoid and Half Round tables available for use with 24" and 30" deep Rectangle tables.
- Three color options available, Mahogany, Maple and Grey Nebula high-pressure laminate tops with Raven Black powder paint. Special order colors are available through the Basics Color Program.
- Work surface uses a substrate that is comprised of a minimal 40% and average 70% recycled materials and the base is constructed with "prime" steel which is constructed with 25%-35% post-consumer recycled steel.
- Complies with the GREENGUARD Environmental Institute's GREENGUARD Children & Schools Indoor Air Quality standards, contributing to points toward Leadership in Energy and Environmental Design (LEED) Certification.
- Made in the USA.

DIMENSIONS

RECTANGLE TABLES

KR1848-_:	48"w x 18"d x 29"h
KR1860-_:	60"w x 18"d x 29"h
KR1872-_:	72"w x 18"d x 29"h
KR2448-_:	48"w x 24"d x 29"h
KR2460-_:	60"w x 24"d x 29"h
KR2472-_:	72"w x 24"d x 29"h
KR3048-_:	48"w x 30"d x 29"h
KR3060-_:	60"w x 30"d x 29"h
KR3072-_:	72"w x 30"d x 29"h
Folded flat:	4-1/2"d

TRAPEZOID TABLES

KTRP24-_:	56-1/2"w x 20-3/4"d x 29"h
KTRP30-_:	59-1/2"w x 26"d x 29"h
Folded flat:	4-1/2"d

HALF ROUND TABLES

KHAF24-_:	48"w x 29"d x 29"h
KHAF30-_:	60"w x 35"d x 29"h
Folded flat:	4-1/2"d

TABLE POWER OPTIONS

ECF6	6-Outlet Electrical Unit, 20' Power Cord
Juice	Juice Power System

COLOR & FINISH

Mahogany laminate with Raven Black base (-RNRM), Maple laminate with Raven Black base (-RNMP), or Grey Nebula laminate with Raven Black base (-RNNB)

BRETTFORD

SUGGESTED SPECIFICATIONS

KR Series models have one (1) table top constructed from 1" thick 45 lb. density furniture board with a "wipe-clean" high-pressure laminate surface. Laminate surface is available in Mahogany (-RNRM), Maple (-RNMP) or Grey Nebula (-RNNB). The base and legs are constructed from 14-gauge steel. Modesty panel runs the width of the legs and is constructed from 20-gauge steel and is perforated with a circular hole pattern for ventilation. The modesty panel includes two cord cut outs which also act as handles when the table is folded. A "J" cord management channel runs along the bottom of the modesty panel and is 2-1/2" deep, front to back. Each rectangle table has a 3-15/16" overhang from the left/right edge of table top to the outside of the leg. All base components are finished with Raven Black powder paint and Raven trim. The table top folds 4-1/2" flat for storage and includes latching mechanisms on underside of the top to connect two or more tables together and keep tops even. Features adjustable floor saving glides for stability. All top edges are rounded and include a Raven 3mm PVC T-mold edge banding. Tables are GREENGUARD CHILDREN & SCHOOLS INDOOR AIR QUALITY CERTIFIED®. Each table ships in one carton pack ready to assemble.

MADE IN THE USA

All KR series training tables are made at one of Bretford's Chicago area manufacturing facilities using union labor.
