## WALL PROJECTION SCREEN

### SERIES 500 AUDITORIUM MANUAL WALL PROJECTION SCREEN

Series 500 easily mount on the wall with unique brackets, included with the screen.

### FEATURES

- Our largest manually operated screen is ideal for use in smaller auditoriums or lecture halls and available in square, 4:3 or 16:9 viewing format.
- Seamless fabric on 8' wide screens for a cleaner image projection. The 10' and 12' wide screens have a center fabric seam.
- Designed for easy installation and includes adjustable wall mounting brackets. Wall mounting brackets lock the screen onto the screen into place and the case hangs flush to the wall to 18" out into the room. Mounting bracket wall hardware not included.
- All come with a pull rope so raising and lowering the screen is easy no matter how high the screen is mounted.
- Square cases are solid steel with a white powder paint finish will withstand years of use and matching slat which fits into the case opening to keep out dirt and dust when not in use.
- Available with a Matte White surface that is fire resistant, cleans with a mild soap and water, and includes black borders for added contrast.
