

LEGACY LIBRARY ENVIRONMENTS SHELVING ACCESSORY

NEWSPAPER RACK

FEATURES

- The Newspaper Rack is designed to hold up to 11 newspaper rods (only those rods available through Bretford).
- The rack will be part of the build-your-own shelving such that you simply specify the rack the same way you do a shelf.
- The rack can be added to any 10", 12" or 15" deep shelving unit as long as it is 48"H allowing the rack to be used in a shelving unit with other types of shelving if desired.
- It can also be used as a stand-alone unit if desired.
- Constructed of steel and finished in any of Bretford's durable powder paints to withstand years of use.
- While Bretford shelving units are available in a variety of veneer finishes, the newspaper rods (sold separately) are only available in Natural Maple, Medium Oak and Walnut.

DIMENSIONS
