CONSTRUCTION

TOP

Wood tops are available in 9 veneers with a protective UV finish.

Glass tables have countersunk holes and brushed aluminum hardware that sits flush to the glass surface.

Frosted glass is tempered for safety and has a protective coating to prevent fingerprints.

LEG

Cast aluminum legs are fitted with poly-glides.

Wood tables have 2 1/2" thick hardwood edges.

The curve of the Long Table allows for plenty of legroom. Frosted Glass is standard, but Clear glass is available upon request.
