PRRD45H2 Powered Round Table w/power & data sphere / 48" d x 29" h (122 x 74cm) / Natural Cherry veneer and Raven powder paint.

PRESENTATION ENVIRONMENTS® POWERED ROUND TABLE

KEY FEATURES

Select from three power options: power sphere, power/data sphere, or recessed power/data. Powered Round Table with power and data sphere on table top connects laptops quickly. Powered Round Table with recessed power and data has four power and data jacks and is perfect for powering desktop computers and other equipment. All tables have removable base panels to provide access to the raceway.

DIMENSIONS

OVERALL

42", 48", 54", 60" dia. x 29"h

INTERIOR DIAMETER OF RACEWAY

5 1/2" (13cm)

EXTERIOR DIAMETER OF RACEWAY

9 3/4" (25cm)

CONSTRUCTION

TOP

Top is constructed with 1" (3cm) thick particle board with your choice of high pressure laminate or veneer. Laminate top edge is 3mm PVC. Veneer edge is 3mm Hdwd.

BASE

Base is constructed of 10- and 14-gauge steel finished in your choice of powder paint. Four removable panels allow access to the raceway interior. Four glides are included for leveling the table. 3" (8cm) grommet is located in the center of the table.

POWER AND DATA SPHERE

Sphere is mounted to the table top and the 6' cord travels through the base to the floor. Power sphere has 2 electrical options: 2 power and 2 RJ45 data jacks or 4 power outlets. Sphere supports up to 15 amps/125 volts.

RECESSED POWER AND DATA TABLE

Inside the base is a 4-outlet, surge protected power strip and 4 RJ45 data jacks.

The power and data sphere is within easy reach of the user.

Table bases have four removable panels that provide access to the raceway interior.

Specified tables have a table top grommet that allows cords to travel through the base to the floor.
